

Corn Checkoff Refund Application

Indiana corn producers have joined together to promote the development of Indiana's corn industry as stated in Chapter 15-15-12 of the Indiana Code. In compliance with Indiana law, a checkoff assessment of ½-cent (\$0.005) shall be collected on each bushel of corn marketed in the state of Indiana. The checkoff requirements do not apply to popcorn, seed corn, or sweet corn. If you decide not to support the corn checkoff program, submit a completed form and a refund will be issued within 30 days of receipt of all required documents (see below for specific details if \$25 or less). Incomplete applications will be returned to you and may delay processing.
